Names of student committee members for the current school year were released this week by John Kelley, student body president. All members are Student Senators. Some committees are not yet chosen.

Research committee will consist of Floyd Olson, senior and chairman, and Ruth Fritschel, sophomore. Norm Wente, senior, heads the activities committee, aided by Bud Buchheim, senior, and Chuck Bose, sophomore. Lila Anholm, junior, is chairman of elections, with Allan Dieter, Floyd Olson and Bernie Hiltner, seniors, also on the committee.

Ken Traenkleth, sophomore, will be in charge of the movie committee, with Ruth Fritschel, sophomore, will manage bulletin board activities. Openings for freshmen on various committees will be filled after their class meeting next week, according to Kelley.

Other officers chosen were sophomore Myra Bergstrom, secretary, and Sylvester Zickler, treasurer. Ed Paape, sophomore, was named president of the group last spring.

According to Paape, plans are now being laid for a mass youth rally to be held here Oct. 11. Dr. Marcus Rickle, ALC youth director, will be main speaker at the event. Regular Luther League meetings will be held the first Sunday of each month.

580 Register, With 44% New Students

Registration figures for the current semester show a total of 580 students, according to information released this week by Miss Mattie Harna, registrar. New students number 256—44 per cent of the total.

Of the 220 students in the freshman class, the male-female ratio is almost even with 111 women and 108 men. Although this shows a change from last year's freshman class of 142 men and 96 women, the total school enrollment lists 362 men and 108 women, a ratio close to last year's two-to-one.

Sixty women and 110 men give the sophomore class a total of 170. Breakdown of the 68 registrants in the junior class shows 13 women and 75 men. Prospective four-year graduates for this year number 78 men and 14 women, a total of 92, a figure only two smaller than the wartime high.

"Tabulations of students according to states and curriculum will be released at a later date," stated Miss Harna.

Wartburgs Guests Of St. Paul's Sun.

All Wartburg students and faculty members will be guests of St. Paul's Lutheran church tomorrow at a welcoming luncheon in the parish hall at 5:30 p.m. The event is part of St. Paul's annual mission festival celebration.

At 4:30 p.m., a missionary film, "Out of the Desert," will be shown. Scheduled at 5 p.m. is a program honoring the local church's missionaries—Miss E. Mathias, R.N., and the Rev. and Mrs. Martin Hest.

"We are chartering a bus, but need 34 passengers to fill it," stated Redman. "Transportation for the bus will be \$5 if we have a bus load."

According to Redman, students may give their \$4 registration fee to members of the committee, who will mail it to convention officials. Others on the committee are Carol Belling, freshman; Joan Schwaib, and Dick Schroeder, sophomores; and Chuck Wittenberg, junior.

Announced this week was the signing of Henry Youngquist, architect with the Drepe Construction company, as part-time instructor in engineering drawing.

From 1943-48 he served as director of the Lutheran Settlement House in Detroit. At present he also serves on the staff of the Waverly Lutheran Children's Home.

KXEL To Broadcast Wartburg Programs On Weekly Schedule

Through the efforts of Ed Owen, program manager of radio station KXEL, Wartburg, a 15-minute broadcast produced by Wartburg students will be aired weekly over that station, starting Oct. 14, according to information released this week by Ray Wilderman, head of the speech department here.

Wartburg broadcasts will be heard every Tuesday at 7:15 p.m. as a part of KXEL's educational program. Material will be selected by the radio committee and administration of the college, subject to approval by Owen.

Broadcast will be either live, with transportation to Waterloo furnished, or will be taped at the KWAB studio here. A new high fidelity tape recorder is being purchased by the college for this purpose.

There are also strong possibilities that Wartburg will be able to air a weekly TV show as soon as KXEL receives FCC, national license.

KXEL is a 50,000-watt class channel station, operating on an assigned frequency of 1540 kilocycles.

Grossman Elects Remaining Officers

Remaining officers of the Grossman hall dorm council were elected last Monday at the first dorm meeting of the school year. Bob Schaff, senior, was chosen president. Conrad Gueland, senior, will serve as secretary, and Wesley Sackman, senior, will be treasurer.

Others elected to the council were Tom Sereksa, senior; Don Gels, junior; and Don Beckman, senior. Also elected were Vic Finke and Stanley Bender, sophomores. Harley Schmitt, senior, was chosen dorm president last spring.

Selection of the photographer for the senior pictures of all seniors and two-year graduates will be the preliminary business at the senior picnic to be held on Monday, Sept. 22, at 8 p.m. in room 233, Luther hall, according to Norm Wente, senior class president.

"Since these attending the meeting will all select the photographers for all graduate pictures, all must attend if they wish to have a voice in the selection of the photography contract," stated Wente.

Keep The Letters Coming — It's Your Paper

Got a gripe? Most people have—they tell you about it all the time. Sometimes they even threaten to "write a letter to the editor." But most of those letters never show up at the TRUMPET office.

What happens to all these would-be epistles? Do students with something to say chicken out after thinking it over?

Don't be afraid to see your name in print at the end of an observation. The TRUMPET welcomes all letters—criticisms, compliments, blasts, comments on student life, politics, even cracks at the paper itself.

If you feel strongly enough about a certain subject, let others know how you feel. You probably have cohorts who think just as you do, and are waiting for someone to express it for them publicly. After all, one of the fundamental purposes of any paper is to provide a clearing-house for the opinions of its readers.

We feel that the TRUMPET should be truly a student newspaper. It can be only if you express your views through its pages. Next time you're prompted to cry out, write a letter to the editor. If it's signed, sensible and warranted, we'll print it!

POLITICAL INQUIRY

By Bob Kodes

Senator Joe Versus Uncle Joe

It looks as if we are going to have another very few years of the politics which Governor Stevenson points out to be superfluous. Senator Joe of "God's country" has won in the Wisconsin primary by a wide margin, and he is not a man to let his Russian namesake fill the U. S. stage with comic stogers.

What Price Progress?

Democrats take pride in showing the American people the economic progress they have made during the past 20 years. Republicans, however, insist that one-third of one's income is too much to pay for the upkeep of government. "No, he wouldn't and vote for progress," we might quote from a future speech of Governor Steve.

Hope Has Practical Angle

Bob Hope, I hear, is a true Republican, not because he goes for the red and blue party, but because he is afraid to lose his job. Who would listen to Bob, if we had a president like Adlai?

Not The Tail, But The Whole Donkey

Somewhere on campus objected to the idea of running a strongly partisan column. It isn't because I dislike Gov. Stevenson, it's just that I can't stand the Democratic administration.

Adieu, America

Overheard at the International Congress Against Alcoholism in Paris, France:

"Yes, French. You can't be an abstainer in France unless you are a hero or a saint."

I thought there was some purpose in my taking French this year.

The Editor's Lance

You may have noticed the weird manner in which sophomore girls have been decorating the provocative throats of freshman women. Either that's the only way they know of to put on make-up, or else they're a trifle worried about the competition.

It seems that some transfers and even second-semester for-persist in taking part in infuriating happenings. Leave it alone, my sophomoreers are the only ones with low enough mentality to perform that function.

The following is a résumé of what they would like to eradicate, but about which we can't think of anything clever to say—from the ice, holes in the roads, coffee in the Den, lack of campus social life, tedious courses—and people in general.

Now that we've got some enemies, watch for next week's column—it may not appear.

Who Took The Hymnals?

Ever have to sing a hymn you didn't know? You well without a hymnal in your hand? If you went to chapel every night now, chances are you did.

With an average of over 300 attending chapel services nightly, nearly a hundred stood with motionless tongues, obviously embarrassed at their useless predicament. It's no fun, trying to join in a worship service with one's eyes shut.

So what's wrong? Something's happened to our supply of hymnals. They've been turning up in rather strange places, too, last year a new supply was purchased and discreetly stamped with an identifying stamp. Since then, books so marked have been found in Luther hall, dorm rooms and even at St. Paul's.

If enough of us stopped going to chapel the plight could, of course, be solved. But there's a better way. If you have a chapel hymnal in your room, or know where there is one, bring it back. And, easy on the nose, we have left—the chapel committee says the casualty rate was unacceptably high last year.

Diers' Season

Alpha Beta Gamma on you too, Frank. Each asked with the same name but the same old drivel. Thanks to the concern of my Greek teacher I was able to say this week, but I'm working on a new book entitled "You Too Can Flunk Greek" or "It's All Greek To Me."

Hold-Your-Nose Dept.

Brothers Genevieve, Beckman and Dick from California pooled their resources and bought a sofa for their room. It wasn't exactly new, so it cost them only \$12. When the good brothers from L.I. came in to admire the relic with General Grant's initials carved on it in U.S. property, they noted a peculiar odor drifting from it.

Kind of like having a dart in the room," the boys explained, "How long has it been dead?" asked the other brother, "This odor threatened to destroy the sanctity of college life. Genevieve and Beckman proceeded to buy incense, which they burned on and around it faithfully. They said the perfume over it. But to no avail. It continued to set like a skunk in a forest fire. Any one knowing anything about tanning "cuffs" cats is welcome to fight with it."

Odd-But-Probably-a-Big-Lie

I met a few freshmen this week, among them a few good-looking women. Georgia Nicolous is a transfer from somewhere, Dolly is too, and it's too bad because they look like nice initiation material. Some frosh boy walked into Ed Payne's room, looked around, speed Ed and stammered, "Oh, I'm sorry. I was looking for someone else . . . 'tuck the room was empty."

The Thing

The Pit and the Graphoph. Let's phonograph woke up the other night. After putting a stack of eight records (that's all he has) on the 45 player, the machine began to reject. It rejected five records, before it would play one. They went on all night. The heart until Fred threw us out of the room. (Check just his eyes!) Edumacher approved and played as it was making like a one-armed bandit paying off in pennies. He looked at Ed, "Can I change the records on this thing," he asked, "or will it bite?"

CUB CRACKS

By The Staff

ONCE MORE Ray Martin's see and year Greek class is the source of a quotable quote of the week. While discussing possibilities of splitting the class of 40 into two sections, Instructor Martin last Tuesday remarked shyly, "How many of you men would like to eat Greek at 12?"

FOR THE BENEFIT of newcomers to the campus, the durners seen hanging north of Grossman hall don't belong to the freshman fellows. Apparently the new addition to the Johannes class is the responsible party.

TAKEN FROM the first draft of a freshman's autobiography—"I entered this world weighing three and one-half pounds. Just after another bounding baby boy."

AN ANONYMOUS contributor says it's rumored that the campus roads are to be paved soon with wooden blocks. He claims members of the faculty are going to put their heads together to see what can be done.

APPEAL ISSUED FOR BIG BROTHERS, SISTERS

Dear Editor:

The Apostle James tells us in the first chapter, the 27th verse, of his epistle, "Religion that is pure . . . is to visit the orphans . . . in their affliction."

Many of us here at Wartburg have had the privilege of putting our Christian faith into practice in past years by serving as Big Brothers and Big Sisters to the children of our American Children's Home. Big Brothers and Big Sisters is again offering the opportunity for Wartburg students to demonstrate their Christian faith by participating in the program this year.

Being a Big Brother or Big Sister is not burdensome. There is only one organizational meeting and the time required to do a good job is negligible. Previous participants have the choice of keeping their name Little Brothers or Sisters or of changing, and all requests will be granted, insofar as it is possible.

Last year our Spiritual Emphasis speaker brought to our attention the theme, "The Abundant Life." In his address he stressed the point of "giving out" as well as continually "taking in." Children are one of our greatest social fields, for in them lies the future of our entire civilization.

(Signed) BEN DAVIS

Big Brother and Sister Chairman

READERS QUESTION WISDOM OF TAKING SIDES

Dear Editor:

After reading the column "The Inquiry" in last week's paper, we have come to the conclusion that the column is just our college paper as an instrument for "soul-bashing" in our current political campaigns.

We are in favor of bringing to the students the different political views, but we also believe that our college newspaper should hold no affiliations to political parties in any way.

(Signed) HERMAN RACHUT and
CHESTER HERNIMAN

(Ed. note.—The opinions expressed in a signed column do not necessarily reflect the feelings of the paper itself, nor do they indicate any political affiliation. The policy of a paper is usually determined by its unsigned editorials, not necessarily by the columns it carries.)

"Although our broadcasting may be a little careless in the beginning, we hope to reach high standards of efficiency in a short time," stated Snyder. Pi Sigma To Meet, Elect Officers Thurs.

In W. Hall Lounge

Pi Sigma, campus women's social organization, will meet next Thursday, Sept. 25, at 7:15 p.m. in the Wartburg hall lounge. It was announced this week by Beatrice Kolberg, sophomore and president of the group.

Election of officers and revision of the constitution are among the items of business to be transacted. Tentative plans for the coming year include the sponsorship of a Revlon cosmetic clinic, a masquerade brawl and the "Sassy Frolic," a variety presentation of music, comedy and drama.

Formal initiation of new members will not be held until next January. Freshmen wishing to obtain membership in the organization are required to earn credits and to maintain a "C" average in their academic work.

Attendance at the first social venture of the section, a get-acquainted tea for all college women, held in the Wartburg hall lounge last Sunday afternoon, numbered 225.

Tryouts For Fall Play To Be Announced Tues.

Tryout dates for Wartburg Players' fall production will be announced at the initial meeting of the year Tuesday at 7:15 p.m. in the Little Theatre, according to Bob Snyder, Players president. Election of officers and discussion of plans for the annual fall picnic will be the major items of business.

"The Little Foxes" by Lillian Hellman has been selected as the season's first effort. The studio drama in three acts has a cast of four women and six men.

Due to physical examinations last Thursday, the meeting was rescheduled. Hereafter, regular meetings will be held the first and third Thursdays, announced Snyder.

Musical Scholarships Granted To Three

Lela Berg, Waverly, Elaine Doster and Janet Dorn, both of Osceola, were named this week by Dr. Edwin Liemohn, music department head, as winners of the Diamond Jubilee Music scholarships for freshmen.

Lela and Elaine were awarded the scholarship in piano and Janet in voice. According to Liemohn, scholarship presentation is determined by musical achievement, promise of accomplishment as a solo performer and general academic scholarship.
